TO: RAPE CRISIS PROGRAM PROJECT DIRECTORS

SUBJECT: RAPE CRISIS PROGRAM
FISCAL YEAR 2016-17 REQUEST FOR APPLICATION

The California Governor's Office of Emergency Services (Cal OES), Victim Services and Public Safety Branch, is pleased to announce the release of the Rape Crisis (RC) Program Request for Application (RFA) for fiscal year 2016-17.

The subaward performance period is September 1, 2016, through August 31, 2017. The RC Program is supported with State General Fund, state Penalty Assessment Funds, federal Victims of Crime Act (VOCA) Formula Grant Program funds, federal Services, Training, Officers, Prosecutors Violence Against Women Formula Grant Program (STOP Formula Grant Program), and federal Sexual Assault Services Formula Grant Program (SASP Formula Grant Program) funds. Please take special note of the following items:

Cal OES Training: All Subrecipients are required to budget for a one-day Cal OES Training in Spring 2017. There will be no registration fee.

VOCA Partial Match Waivers: Office for Victims of Crime will only approve requests for partial match waivers, not requests for 100% of the match waived. VOCA-funded Subrecipients must submit a Letter Requesting a VOCA Partial Match Waiver with their applications. NO letters requesting a VOCA match waiver will be accepted after the deadline for this RFA. Sample language is available in Attachment D of this RFA.

Once Cal OES receives official notification of a potential VOCA Partial Match Waiver request, the following processes will be followed:

- If waivers are not approved until **after your application is submitted but before it is signed** Cal OES staff will adjust match amount on the Grant Subaward Face Sheet and Budget pages. No additional paperwork will be required.
- If waivers are not approved until **after your application is signed**, you will be required to submit a Grant Subaward Amendment, Grant Subaward Modification, and new Budget Pages in order for the match to be adjusted.

Full-Time Equivalent (FTE) VOLUNTEERS (see Project Summary form): The number provided should reflect the total full-time equivalent volunteers under this subaward (not just the full time equivalent volunteers reported as VOCA match).

The California Coalition Against Sexual Assault (CALCASA) continues to develop an electronic map of service areas so that sexual assault survivors and the general public can search for assistance by zip codes as well as by city and county. Agencies receiving more than one RC Program subaward must include a Zip Codes Served Form that is specific to the service area of each subaward.

Submission of required information and documents in an accurate and complete manner will expedite processing of your subaward application. Failure to include information in the manner requested will cause a processing delay. Applications must be submitted or postmarked by **August 11, 2016**. Only Rape Crisis (RC) Program Subrecipients funded in 2015-16 are eligible to apply.

Subrecipients that are Community-Based Organizations (CBOs) must be active California nonprofit corporations in good standing.

E. FUNDS

1. Fund Source

a. State Penalty Assessment Funds

The Penalty Assessment Funds are based on penalties levied against persons convicted of state crimes. The use of these funds is restricted to operation of the 24-hour crisis line, follow-up counseling services, in-person counseling services, accompaniment services, advocacy services, information and referral services, and community education programs. All services and programs must be sexual assault specific.

b. General Fund

State funds may also be used to provide bed-night services for sexual assault victims. Reasonable administrative expenses that appropriately support these services are allowable.

c. Federal Victims of Crime Act (VOCA) Victim Assistance Formula Grant Program (Formula Grant Program)

The VOCA Formula Grant Program is authorized by the Victims of Crime Act of 1984 as amended, 42 U.S.C. 10601, *et seq.*

1) Purpose

VOCA authorizes federal financial assistance to states through the Formula Grant Program for the purpose of supporting eligible crime victim assistance programs that: 1) respond to the emotional and physical needs of crime victims, 2) help primary and secondary victims of crime to stabilize their lives after a victimization, 3) help victims to understand and participate in the criminal justice system, and 4) provide victims with a measure of safety and security.

2) Match Requirement

VOCA requires a cash and/or in-kind match equal to 20 percent of the total project cost.

3) Guidelines/Restrictions

- Volunteers must be utilized unless there is a compelling reason to waive this requirement.
- Victims cannot be charged for services provided by programs supported with VOCA funds.
- Original publications (written, visual, or sound) produced in whole or in part must contain the following statement: “Funding made possible through the United States Department of Justice, Victims of Crime Act, 2016-VA-GX-0058.”

The Code of Federal Domestic Assistance (CFDA) number for the VOCA Formula Grant Program is 16.575. Additional information can be found at www.cfda.gov.

d. Services, Training, Officers, Prosecutors Violence Against Women Formula Grant Program (STOP Formula Grant Program)

1) Purpose

Per Section 42 U.S.C Section 3796gg, the purpose of the STOP Formula Grant Program fund is to assist states, state and local courts, Indian tribal governments, tribal courts, and units of local government to develop and strengthen effective law enforcement and prosecution strategies to combat violent crimes against women. In addition, to provide training to increase the effectiveness of prosecuting cases of sexual assault, domestic violence, stalking, dating violence. However, nothing in this shall be construed to prohibit male victims of domestic violence, dating violence, sexual assault, and stalking from receiving benefits and services under this title.

- STOP Formula Grant Program funds can support services to incarcerated women.
- STOP Formula Grant Program funds cannot be used to purchase vehicles.

2) Match Requirement

The 25 percent match requirement on Total Project Cost is currently being met by Cal OES. If Cal OES is unable to do so in the future, the project will be required to submit a budget modification to include the 25 percent cash and/or in-kind match in the Grant Subaward budget.

3) Publications

Original publications (written, visual, or sound) produced in whole or in part with STOP Formula Grant Program funds must contain the following statement:

“This project was supported by Subaward No. _____ awarded from the California Governor’s Office of Emergency Services (Cal OES). Points of view, opinions, findings and conclusions in this publication are those of the author and do not necessarily represent the official position or policies of the Cal OES. Cal OES reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use these materials and to authorize others to do so.”

e. Sexual Assault Services Formula Grant Program (SASP Formula Grant)

The SASP Formula Grant, created by the Violence Against Women and Department of Justice Reauthorization Act of 2014, 42 U.S.C. 14043g, is the first federal funding stream solely dedicated to the provision of direct intervention and related assistance for victims of sexual assault. The purpose of SASP is to provide intervention, advocacy, accompaniment, support services, and related assistance for all victims of sexual assault, family and household members of victims, and those collaterally affected by the sexual assault.

2. Grant Subaward Amount/Subaward Performance Period

The amount of funding for which Subrecipients may apply is listed on the 2016-17 Funding Chart (Attachment A). Funding is contingent upon passage of the fiscal year 2016-17 State Budget Act and the availability of federal funds. The subaward performance period is September 1, 2016, through August 31, 2017. Subrecipients must budget for a 12-month period.

3. Fund Reversion Procedure

Cal OES will continue to implement a Fund Reversion Procedure for the RC Program which began 2015-16. Subrecipients reverting unused funds back to Cal OES in an amount greater than \$2,500 per year, over two consecutive fiscal years, will be subject to the following:

- Reduction of funding for at least one fiscal year immediately following the two-year period;
- The reduction will be equal to the lesser amount reverted during the prior two-year period;
- The Subrecipient will be required to work with Cal OES to develop and implement plans to prevent future reversions; and

- The Subrecipient will not be eligible for RC Program-wide increases during the reduction period.

Upon successful implementation of plans to prevent future reversions, Cal OES will reinstate the Subrecipient to the original funding level and apply any applicable RC Program-wide increases.

Projects may elect to amend the Grant Subaward Agreement to reduce funding and return funds to Cal OES prior to the end of the 6th month of the subaward performance period if they are unable to utilize all funds awarded during 2016-17. This will allow Cal OES to reallocate funds before they expire, and the Subrecipients will not be subject to the Fund Reversion Procedure previously described (Subrecipients funding level will not be reduced).

The Fund Reversion policy is intended to assist Cal OES in ensuring all funds are utilized prior to their expiration.

F. PROGRAM INFORMATION

1. Program Guidelines

The Service Standards for the Operations of Rape Crisis Centers (Attachment B) hereinafter referred to as Service Standards must be adhered to by all Cal OES-funded rape crisis centers.

2. American with Disabilities Act

Subrecipients must be compliant with the American with Disabilities (ADA) of 1990, 42 U.S.C. 12101, et seq. and Title 28 of the Code of Federal Regulations, Part 35. The Subrecipient shall operate so that each service is accessible to, and usable by, individuals with disabilities. Subrecipients may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternative accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock or other conveyances, or other methods that result in making services, programs, or activities readily accessible to, and usable by, individuals with disabilities.

Subrecipients must ensure that communication with individuals with disabilities is as effective as communication with others without disabilities. This includes the use of telecommunications systems for communications by telephone. Subrecipients must also ensure that individuals with impaired vision or hearing can obtain information as to the existence and location of accessible services, activities, and facilities, as well as provide appropriate signage. This includes all written materials, i.e., brochures, applications, consents, videos, etc.

Subrecipients must ensure that all aspects of employment comply with ADA, including the application process (recruitment, hiring) and employment tasks.

B. CERTIFICATION OF ASSURANCE OF COMPLIANCE (Cal OES 2-104 f or 2-104 g or 2-104h)

Cal OES is required by law to obtain written certifications of compliance. The Certification of Assurance of Compliance form is a binding affirmation that the Subrecipient will comply with the following regulations and restrictions:

- State and Federal civil rights laws;
- Drug Free Workplace;
- California Environmental Quality Act;
- Federal grant fund requirements;
- Lobbying restrictions;
- Debarment and Suspension requirements; and
- Proof of Authority documentation from the city council/governing board.

This document becomes a part of the Cal OES Grant Subaward. Two individuals must sign the Certification of Assurance of Compliance (Cal OES 2-104). The designated individual authorized to sign the Grant Subaward (see Section 2113) and the individual granting that authority: the City/County Financial Officer, the City/County Manager, or the Governing Board Chair. The second signature is not required for State Agencies.

C. PLAN

The plan addresses the identified problem through appropriate and achievable objectives and activities, and the ability of the Applicant to implement the plan.

1. Objectives and activities – 12 month subaward performance period
Include objectives and activities for the 12-month 2016-17 subaward performance period. Each objective must include activities that describe the steps necessary to

achieve the objective. List objectives on the left side and the activities on the right side of the page.

Include additional objectives (up to 5) from fiscal year 2015-16, these objectives can be modified to meet the needs of your community/service area. The focus areas remain the same; military, college campus, local correctional facilities, or other.

2. Confidential of Client Records

By entering into Grant Subaward, the Subrecipient ensures that client records shall be maintained in a secure location to ensure confidentiality.

3. Operational Agreements

Operational Agreements (OAs) demonstrate a formal system of networking and coordination between other agencies and the project. OAs must contain applicable elements delineated in *Subrecipient Handbook* Section 4300. OAs with the following agencies must be on file at the project and available for Cal OES review: law enforcement agencies; prosecutors' offices; entities/agencies that conduct sexual assault forensic examinations; and Victim/Witness project(s) in the Applicant's service area.

Complete the Operational Agreement Summary form (Cal OES 2-160) and include it in the Application Appendix. List those agencies, organizations and individuals with whom the project must have OAs for 2016-17 and the years covered by those agreements. OAs may cover a maximum of three years. A new OA need **not** be obtained if the current one covers 2016-17. When this is not the case, a new OA for 2016-17 (at a minimum) must be obtained.

OAs must contain original signatures, titles, and agency names for both parties and include dates effective for the proposed subaward performance period. These documents must demonstrate a formal system of networking and coordination with other agencies.

4. Zip Codes Served Form

A *Zip Codes Served Form* is included (Attachment E). CALCASA continues to develop an electronic map of service areas so that sexual assault survivors and the general public can search for assistance by zip code as well as by city and county. Agencies receiving more than one RC Program subaward must include a *Zip Codes Served Form* that is specific to the service area of each subaward.

D. PROJECT BUDGET

The purpose of the Project Budget is to demonstrate how the Subrecipient will implement the plan with the funds available through this Program. The budget is the basis for management, fiscal review, and audit. Project costs must be directly related to the

objectives and activities of the project. The budget must cover the entire performance period. In the budget, include **only** those items covered by grant funds, including match funds when applicable. Projects may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, Subrecipients should not include in the Project Budget matching funds (if applicable) in excess of the required match. Budgets are subject to Cal OES modifications and approval.

Cal OES requires the Subrecipient to develop a **line-item** budget which will enable the project to meet the intent and requirements of the Program and ensure the successful and cost-effective implementation of the project. The Subrecipient should prepare a realistic and prudent budget avoiding unnecessary or unusual expenditures which detract from the accomplishment of the objectives and activities of the project.

Note: The following information is provided to assist in the preparation of the budget:

- Strict adherence to required and prohibited items is expected.
- Where the Applicant does not budget for a required item, the Applicant assumes responsibility.
- Failure of the Applicant to include required budget items does not eliminate responsibility to comply with those requirements during the implementation of the project.

The Applicant should refer to the *Subrecipient Handbook* for additional information concerning Cal OES's budget policy or to determine if specific proposed expenses are allowable. The *Subrecipient Handbook* is accessible on our website at www.caloes.ca.gov. Select "Cal OES Divisions," scroll down to "Grants Management," on the right-hand side, click on "Criminal Justice, Emergency Management & Victim Services Grant Programs" then select "Handbooks, Reports & Publications." Should you have additional budget questions, contact the person listed in Part I, Section B.

1. Specific Budget Categories

In Part IV of this RFA, or on our website, you can access "***Rape Crisis Program Budget pages***" for each of the following three budget categories:" **Note:** 2016-17 ***Rape Crisis Program Budget Pages*** are available now.

a. Personal Services – Salaries/Employee Benefits

1) Salaries

Personal services include services performed by project staff directly employed by the Applicant and must be identified by position and percentage of salaries. They may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must also be budgeted as a part of salaries. If the Applicant's personnel have accrued sick leave or vacation time prior to the approval of

grant funding, they may not take time off using project funds. Salaries for staff not directly employed by the Applicant must be shown as participating staff (see *Subrecipient Handbook*, Section 4500) in the Operating Expenses Category. Consultant services remain under Operating Expenses (refer to Part II, D.2.b. - Operating Expenses - paragraph two).

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The Applicant may use fixed percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the Applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

3) VOCA Required Match (2016-17 Fund Chart – Attachment A)

All subawards that include VOCA funds must provide a 20% cash and/or in-kind match, and budget line items(s) must show how that match will be met. All match items must be for VOCA-allowable purposes such as direct services to sexual assault victims or administrative costs supporting these services, such as data collection.

If volunteer time is used, the line-item detail must include: the number of hours volunteered, **a rate of pay that does not exceed that paid of staff performing similar duties**, and a brief job description.

EXAMPLE:

Volunteer In-Kind Match

2497/hrs. @\$10/hr. (*comparable to Personal Svcs. Advocate I position*)

\$24,970 Crisis line, Follow-up, Counseling & Advocacy to sexual assault victims

b. Operating Expenses

Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. Such expenses may include specific items directly charged to the project, and in some cases, when permitted by the funding source, an indirect cost allowance. The expenses must be grant-related (i.e., to further the Program objectives as defined in the Grant Subaward) and be encumbered during the performance period.

The following items fall within this category: consultant services such as subcontractors, participating staff who are not employed by the Applicant, travel, office supplies, training materials, research forms, equipment maintenance, software equipment rental/lease, telephone, postage, printing, facility rental, vehicle maintenance, answering service fees, and other consumable items. Furniture and office equipment with a cost of less than \$5,000 (excluding tax,) and/or with a useful life of less than one year fall within this category. Otherwise, these fall under equipment expenses.

Salaries for staff not directly employed by the Applicant must be shown as consultant and/or participating staff costs (whichever is applicable per *Subrecipient Handbook*, Sections 3710 and 4500), under the Operating Expenses category. These costs must be supported by an Operational Agreement (OA), which must be kept on file by the Subrecipient and made available for review during a Cal OES site visit, a monitoring visit, or an audit. In the case of grants being passed through a Subrecipient to be operated by another agency, the staff from the second agency will be shown in the Operating Expenses Category.

Budget for anticipated training related to the project. The Applicant must include sufficient per diem and travel allocations for person(s) to attend required Cal OES training conferences or workshops.

c. Equipment

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of \$5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers must be one line item, not three).

NOTE: The left column of each budget category on the Spreadsheet requires line-item detail including the calculation and justification for the expense. Enter the ***whole dollar amount only*** (no cents) on each line item and the match amount (if applicable) in the correct column of the Budget Category form. You may add extra rows if

necessary. The spreadsheets automatically calculate the subtotal at the end of each budget category and provide the total of the three spreadsheets at the bottom of the Equipment page. The total of the budget including each funding source and/or match amount must correspond to the amount of the Total Project Cost (Block 12G) on the Grant Subaward Face Sheet.

E. APPLICATION APPENDIX

The application appendix provides Cal OES with additional information from the Applicant to support components of the application. The following must be included:

- **Organizational Chart:**
The Organizational Chart should clearly depict the structure of the Applicant organization and the specific unit within the organization responsible for the implementation of the project. This chart should also depict supporting units within the organization (e.g., the Accounting Unit) and the lines of authority within the organization. Job titles on the Organizational Chart must match those in the Budget and Budget Narrative.
- **Operational Agreement (OA) [Section 4300]:**
These documents must demonstrate a formal system of networking and coordination with other agencies and the Applicant. Please refer to the *Subrecipient Handbook*, Section 4300 for the list of required elements.
- *Rape Crisis Project Summary*
- *Zip Codes Served Form*
- *Agency Fund Sources*
- Project Service Area Information (Cal OES 2-154)
- VOCA Partial Match Waiver Request letters [if applicable]
- Noncompetitive Bid Request (Cal OES 2-156) [if applicable]
- Out-of-State Travel Request (Cal OES 2-158) [if applicable]
- Emergency Fund Procedures (Cal OES 2-153) [if applicable]
- Computer and Automated Systems Purchase Justification Guidelines (Cal OES 2-157) [if applicable]

RAPE CRISIS PROGRAM

PART III – POLICIES AND PROCEDURES

NOTE: The Applicant is strongly encouraged to review the following sections before preparing the application:

- A. FINALIZING THE GRANT SUBAWARD
 - B. ADMINISTRATIVE REQUIREMENTS
 - C. BUDGET POLICY
-

A. FINALIZING THE GRANT SUBAWARD

1. Standard Project Funding Authority

Allocation of funds is contingent on the enactment of the State Budget.

Cal OES does not have the authority to disburse funds until the budget is passed and the Grant Subaward is fully executed. Expenditures incurred prior to authorization are made at the Subrecipient's own risk and may be disallowed. Cal OES employees are not able to authorize an Applicant to incur expenses or financial obligations prior to the execution of a Grant Subaward. However, once the Grant Subaward is finalized the Subrecipient may claim reimbursement for expenses incurred on, or subsequent to, the start of the Grant Subaward performance period.

If, during the term of the Grant Subaward, the state and/or federal funds appropriated for the purposes of the Grant Subaward are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, Cal OES may immediately terminate or reduce the Grant Subaward by written notice to the Subrecipient. However, no such termination or reduction shall apply to allowable costs already incurred by the Subrecipient to the extent state or federal funds are available for payment of such costs.

Cal OES Grant Subawards are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to execution of the Grant Subaward.

2. Processing Grant Subaward

a. Grant Subaward Conditions

Cal OES may add Grant Subaward Conditions to the Grant Subaward prior to or after funding. If conditions are added, these will be discussed with the Applicant and a copy of the conditions will be sent to the Subrecipient when the conditions are made part of the Grant Subaward. Grant Subaward Conditions may include requirements for sole source justification, a computer feasibility study, or other requirements deemed necessary by Cal OES.

b. Grant Subaward Amounts

When the amount of funds available is limited, Cal OES may reduce the amount of the Grant Subaward from the amount requested by the Applicant. In addition, Cal OES reserves the right to negotiate budgetary changes with the Applicant prior to executing the Grant Subaward. If either of these actions is required, Cal OES will notify the Applicant prior to executing the Grant Subaward.

c. Grant Subaward

A copy of the executed Grant Subaward and pertinent attachments will be sent to the Project Director. When the executed subaward is received a Report of Expenditures and Request for Funds (Cal OES 2-201) may be submitted for reimbursement.

B. ADMINISTRATIVE REQUIREMENTS

The following requirements apply to projects selected for funding and are explained below for the Subrecipient's planning purposes:

1. The *Subrecipient Handbook (SRH)*

The *Subrecipient Handbook* is accessible on our website at www.caloes.ca.gov. Select "Cal OES Divisions," scroll down to "Grants Management," on the right-hand side, click on "Criminal Justice, Emergency Management & Victim Services Grant Programs" then select "Handbooks, Reports & Publications." The *Subrecipient Handbook* contains administrative information and requirements necessary to implement the project. Subrecipients must administer their subawards in accordance with the *Subrecipient Handbook* requirements. Failure to comply with these requirements can result in the withholding or termination of the Grant Subaward.

2. Communications (*SRH 11500*)

Projects must maintain a current telephone number and internet access with an e-mail address (see Section 2340.1), as well as a current postal address and physical location within the State of California.

3. Progress Reports and Data Collection (*SRH 10100*)

Funded projects are required to participate in data collection and to submit Progress Reports required by the Program. Projects are required to keep accurate records to document the information reported in the Progress Reports. The records must be kept by the project for a period of seven years. During site/monitoring visits, Cal OES will review these records for accuracy and compare them with the reported data submitted on the Progress Reports.

4. Monthly/Quarterly Report of Expenditures and Request for Funds (*SRH 6310*)

Community-based organizations (CBOs) shall submit a monthly Report of Expenditures and Request for Funds (Cal OES 2-201) unless they request a quarterly reporting period. Government and education agencies receiving funds will be required to report on a quarterly basis. This form is due within 30 calendar days of the end of the reporting period and must be submitted whether or not the project has incurred expenses. Delays in submitting the form Cal OES 2-201 will result in the withholding of funds and may result in the recommendation to the Cal OES Director for termination of the Grant Subaward.

5. Technical Assistance and Site Visits (*SRH 10200/10300*)

Funded projects are assigned a Cal OES Program Specialist to oversee the progress of the project in achieving its goals, objectives, and compliance with the Grant Subaward. Program Specialists are available to assist the Subrecipient in the successful implementation of the project and in meeting the administrative requirements of the Grant Subaward. New projects should expect a site visit from the assigned Program Specialist within the first six months of the performance period. Follow-up site visits will be conducted periodically throughout the life of the grant subaward. Projects may request a site visit to obtain technical assistance.

6. Monitoring Requirements (*SRH 10400*)

A monitoring visit is an on-site assessment by staff to determine if the project is in compliance with the terms of the Program, the Grant Subaward, the Program Guidelines (if applicable), the RFA/RFP, and the *Subrecipient Handbook*. Projects will be monitored on a random or as-needed basis.

7. Audit Requirements (*SRH 8100*)

To safeguard Cal OES's assets and to ensure that all funds are accounted for, Cal OES requires that organizations receiving Cal OES Grant Subaward(s) be audited in accordance with the *Subrecipient Handbook*.

8. Source Documentation (*SRH 10111*)

Subrecipients will be required to maintain source documentation to support claimed expenditures and project accomplishments. Source documentation is defined as records used to validate project activities and achievements pertaining to the objectives outlined in the Grant Subaward. Subrecipients are to retain source documentation for Progress Reports on a quarterly basis, regardless of submission requirements. Requirements and definitions for Program specific source documentation are delineated in the RFA instructions. Subrecipients will be required to have written job descriptions on file for positions funded by Cal OES detailing specific grant-related activities to achieve project objectives.

9. Fidelity Bond (*SRH 2160*)

Private CBOs and American Indian organizations are required to obtain and send to Cal OES a copy of a blanket fidelity bond or equivalent insurance contract applicable to officials and employees of Cal OES-funded projects within 60 days of the signed Grant Subaward. Failure to comply with this requirement may result in the withholding of grant funds or termination of the Grant Subaward. The beneficiary named on the bond or an endorsement must include the “State of California, California Governor’s Office of Emergency Services” and include the Grant Subaward number for identification purposes.

The time period covered by the bond must include the effective date and total time period of the grant subaward, including extensions. The bond must be in an amount equal to 50 percent (50%) of the total Grant Subaward and may have a deductible in an amount not to exceed one percent (1%) of the bond.

A bond is not required of a Subrecipient sponsored by units of government. CBOs sponsored by units of government may submit documentation indicating this in lieu of the bond or insurance contract, unless specifically required by terms of the Program or Grant Subaward Conditions.

10. Copyrights, Rights in Data, and Patents (*SRH 5300-5400*)

Cal OES owns rights of and reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use, in whole or in part, material produced by activities supported by a Grant Subaward. These ownership rights are detailed in the *Subrecipient Handbook*.

C. BUDGET POLICY

This document summarizes information on Cal OES Budget Policy contained in the *Subrecipient Handbook*. Additional information may be obtained by accessing the *Subrecipient Handbook* at www.caloes.ca.gov. Select “Cal OES Divisions,” scroll down to “Grants Management,” on the right-hand side, click on “Criminal Justice, Emergency Management & Victim Services Grant Programs” then select “Handbooks, Reports & Publications.”

1. Supplanting Prohibited (*SRH 1330*)

Grant funds must be used to supplement existing funds for Program activities and *not replace* funds appropriated for the same purpose. If selected for funding, a written certification must be provided to Cal OES indicating grant funds will not be used to supplant existing funds. Potential supplanting will be the subject of application review, post-subaward monitoring, and audit.

2. Project Income (*SRH 6610*)

Project income, such as client fees and fees for services provided by the Subrecipient (i.e., training, presentations, etc.), asset forfeitures, profits from the sale of project products, and conference proceeds as the result of a direct trade of time or products for money must be used to offset or augment the grant subaward, unless otherwise specified in the RFA instructions. Project income cannot be used as matching funds, unless otherwise specified in the RFA instructions.

3. Methods of Contracting and/or Procurement (*SRH 3400*)

A competitive bid process is required to purchase equipment or consultant services with grant funds. Noncompetitive bid contracts are disfavored. Noncompetitive bid request approval by Cal OES Program staff is required prior to the purchase of equipment in excess of \$5,000, or to hire a specific consultant charging over \$5,000. Local units of government may use their approved procurement policy except for contracts over \$50,000 which requires prior Cal OES approval. For organizations without a written procurement policy, a competitive bid process involves determining the specifications for the items needed and obtaining at least three bids from different vendors. Whenever a specific individual/organization name is identified in the Project Budget, a narrative describing the competitive bid process or a sole-source procurement (noncompetitive bid) request will be required. Cal OES will provide assistance in submitting a noncompetitive bid request if the proposal is selected for funding and if Cal OES determines it is in the best interest of the project. These procedures do not apply to funds shared with participating agencies under the terms of an Operational Agreement (see Section 4500, *Subrecipient Handbook*).

4. Match Requirements (*SRH 6500*)

The RFA Instructions (Part II) may specify a cash or in-kind match. When used to augment the project, expenditures for items such as Personal Services, Operating Expenses, or Equipment are considered match if not in violation of the prohibition on supplanting. Match must be specified in the budget and will become part of the Grant Subaward. Specific instructions for calculating the match are provided below. There are examples of how to calculate the match requirement in Sections 6550-6550.2 of the *Subrecipient Handbook*.

a. State Funds Matching State or Federal Funds (*SRH 6522*)

State and/or federal funds can be used to match other state and/or federal funds *only* if the following conditions have been met:

- 1) The other funding source does not prohibit this practice;
- 2) The funds are to be used for identical activities (e.g., to augment the project); and

- 3) The project has obtained prior written approval from Cal OES or the terms of the Program allow this practice.

b. Type of Match

- 1) Cash Match (*SRH 6511*)

Cash match, also known as hard match, is often derived from the local funding resources committed to a project such as county general fund revenue, United Way contributions, private donations or profits from fund-raising events. When used to augment the project, cash expenditures for items such as personnel, facilities and supplies may be considered cash match if not in violation of the prohibition on supplanting. A cash match must be specifically identified by line item as match in the budget.

- 2) In-Kind Match (*SRH 6512*)

In-kind match, also known as soft match, is the project's contribution of non-cash outlay of materials or resources to support a percentage of Cal OES's Grant Subaward activities. It may include non-cash outlay contributed by other public agencies and institutions, private organizations, and individuals. Examples include donated office supplies, equipment, professional services, and volunteer time. In general, the value of in-kind contributions is determined by fair market value, which must be specifically identified by line item as in-kind match in the budget.

5. Travel Policies

The following is Cal OES's current travel policy:

a. Travel and Per Diem (*SRH 2236*)

The Applicant may prepare the budget using its own travel policy or the state travel policy according to the following guidelines. Travel reimbursement will only be allowed based on actual costs.

- 1) Units of Government (*SRH 2236.21*)

Units of government may use their own written travel policy or the state policy.

- 2) Community-Based Organizations (CBOs) (*SRH 2236.22*)

A community-based organization may use the state travel policy or the Applicant's written policy up to the maximum rates allowed by the state travel policy.

3) Out-of-State Travel (*SRH 2236.11*)

Out-of-state travel is restricted and only allowed in exceptional situations. Requests for approval for out-of-state travel must be submitted for Cal OES approval.

b. State Travel and Per Diem Policy (*SRH 2236.2*)

Use the following state travel policy for budgeting travel expenses:

1) Meals and Incidentals

a) Breakfast \$7.00

Breakfast may be claimed when travel commences at or prior to 6:00 a.m. Breakfast may be claimed on the last fractional day of a trip of more than 24 hours if travel terminates at or after 8:00 a.m.

b) Lunch \$11.00

Lunch may not be claimed for travel less than 24 hours. Lunch may be claimed if the trip begins at or before 11:00 a.m. and may be claimed on the last fractional day of a trip of more than 24 hours if the travel terminates at or after 2:00 p.m.

c) Dinner \$23.00

Dinner may be claimed if the trip begins at or before 5:00 p.m. Dinner may be claimed when travel terminates at or after 7:00 p.m., whether on a one-day trip or on the last day of a trip of more than 24 hours.

d) Incidentals \$5.00

Incidentals may be claimed for trips of 24 hours or more.

e) Total Per Diem

The maximum is \$46.00 for a 24-hour period.

2) Lodging

The maximum allowed lodging expense is \$90.00 per night, plus applicable taxes, (except as noted below). All lodging rates are per night and receipts are required for reimbursement.

3) Special Lodging Rates

- Statewide (excluding counties identified below): \$90.00, plus tax
- Napa, Riverside, and Sacramento Counties: \$95.00, plus tax
- Los Angeles, excluding the City of Santa Monica, Orange, Ventura Counties and Edwards AFB: \$120.00, plus tax
- Alameda, Monterey, San Diego, San Mateo, and Santa Clara counties: \$125.00, plus tax
- City & County of San Francisco and the City of Santa Monica: \$150.00, plus tax

4) Mileage

When a privately owned vehicle is utilized on project-related business, a maximum of 54 cents per mile is allowed, unless a higher rate is justified. Documentation justifying a higher rate must be on file and available for audit, but should not be submitted with the application.

5) Other

Taxi, airport shuttle, etc., which exceed \$3.50 must be supported by receipt. Parking in excess of \$10.00 must be supported by receipt.

6. Participating Staff (*SRH 4500*)

The term “participating staff” refers to salaried employees of a participating agency assigned to work with the Subrecipient on the implementation of a project. The agreement between the Subrecipient and the participating agency concerning participating staff must be reflected in the OA. Grant-related costs associated with participating staff must be itemized in the Operating Expenses category of the grant subaward budget.

7. Independent Contractor/Consultant (*SRH 3710*)

Services are provided on a contractual basis by individuals or organizations not directly employed by the Applicant. Independent contractors/consultants must not be used in lieu of employees and are defined as individuals or organizations meeting some or all of the following criteria:

- Produce a specific product or service;
- Work independently without direct supervision from the Applicant;
- Work on specific projects;
- Provide services for a limited number of hours or period of time; and/or
- Have no agency management or oversight responsibilities directed toward the financial success or direction of the agency.

a. Rates (*SRH 3710.1*)

The maximum rate for independent contractors/consultants is \$650 (excluding travel and per diem costs) for an eight-hour day. An eight-hour day may include preparation, evaluation, and travel time in addition to the time required for actual performance. A request for compensation for over \$650 a day must have ***prior approval*** from Cal OES and additional justification.

1) Exception to Rates (*SRH 3710.1.1*)

Compensation to government employees (e.g., federal, state, and local) will be allowed when the unit of government will not provide its services without cost. In these cases, the rate of compensation is not to exceed the daily salary rate paid by the unit of government.

b. Expert Witness Fees (*SRH 3710.2*)

Projects, which routinely utilize “expert witnesses” as independent contractors or consultants to conduct evaluations and provide expert testimony in the courtroom, may budget for this expense. However, the project may only be charged for costs above what the jurisdiction is required to cover. Unless otherwise prohibited, the maximum allowable rate for such witness fees is \$250 per hour, and is not to exceed \$2,000 per day. The total amount budgeted for expert witness fees must not exceed 10 percent (10%) of the project’s total budget. Requests for proposed expert witness costs must be accompanied by written justification indicating the following:

- Qualifications, training, and experience of the expert(s), including a statement regarding recognition by the court of the individual as an expert;
- Specialized certification/licensure [e.g., Masters in Social Work (MSW); Licensed Clinical Social Worker (LCSW), Marriage and Family Therapist (MFT); Medical Doctor (MD)];
- Rate of pay per hour including documentation of a survey of the availability of similar consultants, the current “going rate,” and the proposed rate of pay with a cost breakdown if expert is paid according to services (e.g., mileage, waiting time, court testimony);
- Proposed services to be provided (e.g., analysis of forensic evidence, psychological evaluation); and
- Justification why this cost cannot be paid with other funds (attach the justification to Cal OES 2-106a)

8. Facility Rental (*SRH 2232*)

Up to \$21.00 per square foot annually (\$1.75 per square foot per month) is allowed for facility rental. If the rental cost for office space exceeds this rate, it must be

consistent with the prevailing rate in the local area. This documentation must be on file and available for audit. Exceptions to the above rates and/or square footage must be approved by Cal OES and requires appropriate justification.

- Rental Space for Training, Shelter, Counseling Rooms, and Other Required Space (*SRH 2232.1*)

Rental space for training and individual and/or group counseling rooms may also be charged to the grant, providing the charge is based on actual costs and not reimbursed by another source.

9. Rented or Leased Equipment (*SRH 2233*)

An explanation and cost analysis is required when equipment is rented or leased. This analysis must demonstrate that it is more cost-effective to rent or lease the equipment than it is to purchase it, and must be approved by Cal OES prior to the execution of a rental or lease agreement.

10. Indirect Cost Rate Proposal (ICRP) (*SRH 2180 & SRH 2188*)

Indirect costs are shared costs that cannot be directly assigned to a particular activity, but are necessary to the operation of the organization and the performance of the project. The costs of operating and maintaining facilities, accounting services, and administrative salaries are examples of indirect costs.

- a. Subrecipients do not have to budget for indirect costs.
- b. Subrecipients that budget for indirect costs must:
 - use their approved Indirect Cost Rate (ICR) that has been established by the Subrecipient's cognizant federal agency (Cal OES will not act as a cognizant agency); or
 - use an amount up to the ten percent (10%) de Minimis rate of the Subrecipient's Modified Total Direct Costs (MTDC) base. MTDC includes the cost of salaries, wages and benefits of personnel that work directly on the project, and other operational costs that are directly related to the project. The MTDC base cannot include any distorting costs such as equipment, capital expenditures, or any Subawards, contracts, or consultant beyond the first \$25,000.

Subrecipients, who request Cal OES funds for indirect costs, must provide a method of calculation that shows what direct costs were used to calculate their indirect budgeted amount. The Subrecipient can then charge up to that budgeted amount on the subaward.

11. Audit Costs (*SRH 8150*)

Subrecipients expending less than \$750,000 in federal funds annually cannot use federal funds to reimburse for costs associated with audits. Subrecipients expending \$750,000 or more in federal grant funds annually are required to secure an audit pursuant to 2 CFR Part 200 Uniform Guidance and are allowed to utilize federal grant funds to budget for the audit costs.

Specifically, the allowable audit costs are as follows:

- If the total project cost is less than or equal to \$150,000, the project may budget up to \$2,000 for the financial audit cost; or
- If the total project cost is greater than \$150,000, the project may budget up to one and a half percent (1.5%) of the total project cost for financial audit costs.

12. Equipment (*SRH 2300*)

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and a cost of \$5,000 or more per unit (excluding tax).

A line item is required for different types of equipment, but not for each specific piece of equipment (e.g., three laser jet printers should be one line item, not three).

a. Allowable Expenses

Equipment used solely for project activities may be budgeted if it is essential to the implementation of the project. Grant funds may not be used to reimburse the Subrecipient for equipment already purchased.

Rented or leased equipment must be budgeted as an Operating Expense. Lease-to-purchase agreements are generally not allowable. If a lease-to-purchase is requested, the project will be required to submit justification, including cost-effectiveness, with the Grant Subaward Forms Package. Prior approval by Cal OES is required.

b. Computers and Automated Equipment (*SRH 2340*)

1) Community-Based Organizations (*SRH 2342.1*)

CBOs may budget up to \$25,000 in computer equipment, software, and related costs. Justification will be required if the proposal is selected for funding. Cal OES will evaluate the proposed purchase on the basis of grant-related need. Prior approval by Cal OES is required.

2) Units of Government (*SRH 2342.2*)

Units of government may budget for computer equipment, software, and related costs. Justification will be required if the proposal is selected for funding. Cal OES will evaluate the proposed purchase on the basis of grant-related need. Cal OES must give approval prior to purchase.

3) Computer Purchase Justification (*SRH 2341*)

Approval for purchases of computers and automated equipment is contingent on the Applicant's ability to demonstrate cost-effective, project-related need which is best demonstrated by clearly relating each computer system or component to the grant objectives and activities. If selected for funding, the Applicant will be sent instructions for preparing the justification.

c. Automobiles (*SRH 2331*)

If automobiles are allowable pursuant to the terms of the program, projects must provide substantial justification demonstrating the grant-related need. If not previously approved in the initial Grant Subaward, then a justification must be submitted with a Grant Subaward Modification (Cal OES Form 2-223) and include the following information:

- 1) Describe the need for a vehicle, including the size of the service area and the need to provide direct service away from the office;
- 2) Describe the lack of available agency vehicles;
- 3) Describe the lack of available personal vehicles for which mileage can be charged or a reason why the agency will not allow personal vehicle usage during working hours; and
- 4) Include a cost analysis for the vehicle purchase as compared to other options, including lease and personal vehicle use with mileage.

13. Prohibited Expense Items (*SRH 2240*)

a. Bonuses/Commissions (*SRH 2241*)

Projects are prohibited from paying any bonuses/commissions to any individual, organization, or firm unless specifically authorized by the terms of the Program.

b. Lobbying (*SRH 2242*)

Refer to *SRH 2242.1* for an extensive list of prohibited activities.

c. Fundraising (*SRH 2243*)

Cal OES grant funds cannot be used for organized fundraising including financial campaigns, endowment drives, solicitation of gifts and bequests, or similar expenses incurred solely to raise capital or obtain contributions.

d. Real Property and Improvements (*SRH 2244*)

Real property, including land, land improvements, structures and their attachments, and structural improvements and alterations are not allowable expenditures unless specifically authorized in the RFA instructions.

e. Interest (*SRH 2245*)

The cost of interest payments is only allowable if the cost is a result of a lease/purchase agreement.

f. Charges, Fees, and Penalties (*SRH 2245*)

Finance charges, late payment fees, penalties, and returned check charges are not allowable expenditures.

g. Food and Beverages (*SRH 2246*)

The cost of food and/or beverages at grant-sponsored conferences, meetings, or office functions is not an allowable expenditure.

h. Weapons and Ammunition (*SRH 2247*)

The cost of weapons and/or ammunition of any type is not an allowable expenditure, unless it is part of a governmental negotiated benefit package or is specifically authorized in the RFA instructions.

i. Membership Dues (*SRH 2248*)

The cost of membership dues for the licensing or credentialing of professional personnel is not an allowable expenditure unless it is part of a governmental negotiated benefit package or is specifically authorized in the RFA instructions.

j. Professional License (*SRH 2248*)

The cost of a professional license is not an allowable expenditure unless specifically authorized in the RFA instructions.

k. Annual Professional Dues or Fees (*SRH 2248*)

The cost of professional dues or fees is not an allowable expenditure unless it is part of a governmental negotiated benefit package or is specifically authorized by the RFA instructions.

l. Depreciation (*SRH 2249*)

Equipment costs may not include additional costs calculated for depreciation.
